TEDX ANDHRA PRADESH

DESIGN TEAM & WEB DEVELOPMENT TEAM

DONE WEBSITE FOR TEDX ANDHRA PRADESH WITH ALL DOMAINS AS The core information about the TEDx initiative, including the mission, rules, and how local events are organized.

RAMAM PROJECT |MINI PROJECT

Research Article Resource Management System with Integrated Citation Management

- 1.Managing and citing research articles is a critical but often time-consuming process for researchers.This project proposes a Django-based system to efficiently manage research articles and automate citation workflows.Build a web-based system for organizing, storing, and retrieving research articles.
 - 2.Automate metadata extraction and citation generation for research articles.
 - 3.Facilitate collaborative sharing of articles and references among researchers.
 - 4.Ensure scalability, usability, and secure access to stored resources. Experience in a specific area, like using React (Frontend) or Node.js (Backend)
